

It's not where you take the trail,
it's where the trail takes you!

Zuni Community Trails

Trail work was completed by the Zuni Health and Wellness Coalition Built Environment Committee and the Zuni Youth Enrichment Project with assistance from the New Mexico Department of Health.

Visit www.zyep.org for more information and to support Zuni Youth Enrichment Project, a local non-profit organization supporting the health of Zuni youth.

Zuni Community Trails

These nine walking, running, biking trails were created to promote fitness and physical activity for Zuni community members. We hope you'll check them out!
